

DECEMBER PRI BARVICAH

Končno je prišel težko pričakovani mesec december. To je čas, ko je vsak dan v vrtcu poseben in poln doživetij. Veselimo se prihajajočih praznikov in obiska dobrih mož. Letos pa nas je obiskala tudi Babica Zima. S sabo žal ni prinesla snega, nam je pa obljubila, da ga kmalu pošlje. Prinesla pa je decembrski koledar, ki ga je za nas pripravil Sneženi mož. V njem so bile skrite naloge. Dnevno smo jih odkrivali in izpolnjevali. Pri prvi nalogi nam je pomagala tudi Babica Zima. Opomnila nas je še, naj v teh prazničnih dneh ne pozabimo na tiste, ki jih imamo radi. Med prazniki naj ne bodo pomembna le darila, ampak naj bo to čas, ki ga bomo v miru preživeli z družino in prijatelji. Naj bo to predvsem čas, ko se bomo zabavali in ustvarili nepozabne spomine.

**Sreča išče in najde vsak dom.
Odprimo ji vrata in jo sprejmimo
takšno, kot je:
največkrat skromno,
a vedno zadovoljno;
največkrat nevidno,
a vedno toplo,
prijazno in nasmejano.
Da bi v vaš dom našla vsak dan
v letu 2025 odprta vrata,
vam želimo**
